 Santa Rosa, CA 95404

Light and bright Windsor home offering 3 bedrooms and 2.5 baths. The tall ceilings allow an abundance of natural light to shine throughout. Vaulted ceilings extend over the formal living and dining rooms. The spacious family room is open from the kitchen and includes attractive laminate floors. A built-in vanity in the family room offers a media space and display. The wrap around kitchen is complete with stainless and black appliances in addition to a pantry. The Bosch gas range and Samsung refrigerator are included. The primary suite offers a walk-in closet, tall ceilings and a designer bath. Double vanities and a walk-in shower highlight this exquisite room. The very generous sized rear yard includes a large patio, perfect for summer barbecues. Relax under the wonderful shade tree or enjoy a glass of wine on the cozy front porch. The central A/C will cool those warm summer days and the rock faced fireplace will warm those chilly winter evenings. An indoor laundry space includes the washer/dryer and additional storage above. Many features have been recently updated! This wonderful home is just blocks north of the Town Green, shopping and easy commute access.
